Amazon.com: Retail's Seismic Shift: How to Shift Faster ...

I'm tryin to figure out how to shift from 1st to 2nd faster. Let's say if i am in first gear up to 3k rpm...I have to let the rpm fall all the way down to like 1500rpm before engaging 2nd gear. This seems to take FOREVER for the rpms to drop low enough to engage 2nd lol. Should I try slowly ...

How to shift faster?!?!?! - Page 3 - Nissan 370Z Forum

How can I make my work-shift go by faster? I work at Hollister and I have 4 hour shift this afternoon, but to be honest with you working at Hollister is such a boring job. I basically stand around for 4 hours, I mean I'll re-fold clothes if they get messed up, but that's about it.

How can I make my work-shift go by faster? | Yahoo Answers

Shifting gears is no big thing once you are used to the shifting pattern. Race drivers shift very quickly by simply ripping the stick into its new gear. If you love your car, you should treat it more gently. Just take out the gear, make a quick glimpse of a break and then put the stick into the next gear.

How does one quickly accelerate a manual transmission ...

I recently got my first job at McDonalds. I've been working 5-6 hour shifts (not very long), and they seem to go for double that. So, how do you make time fly at work?For example, I sing a song in ...
