Now drag and drop your images in the marked window: 4. The default duration for all photos is 4 seconds and the "Ken Burns" effect (adding motion to your

I wish to thank the unknown photographer who has clicked ...

The fact that everyone can easily produce movies is amazing. Many factors contribute to that, such as high-speed internet connection, better mobile camera quality, accessibility to video sharing services, and simple to use video editing software. Apple's iMovie is the pioneer of easy-to-use layman's movie makers, and still the best one available on the market today.
