I am currently rebuilding a D-239 engine from my 1979 IH 684. I have experience with different motors but this is my first D-239. I would like to know someone elses experience with this series. I have never encountered not being able to access the rear main bearing cap except by splitting the tra...

D-239 engine rebuild - IH Engines - Red Power Magazine ...

Does anyone know what other international equipment used the D239 engine? Mine has a broken block. thanks: Robert : I have an IH Payhoe 260A backhoe that I believe has a D239 diesel engine. I put a new oil gauge on it. It starts out at 35lbs pressure and slowly drops to below 5lbs at idle once it warms up. It will hold above 5lbs above idle.

International Harvester D239 Engine Parts Manual

I just rework a d239 engine and now it will not run. It will run with starting fluid. I timed the timing gear on the number 6 mark. I can see that the key way in the injector pump is pointed to number 1 on the injector pump gear. What number on the injector pump gear do I use??

td7e d239 engine injector timing marks - IH Construction ...

The 1976 IH574 with a D239 engine stopped running. The previous owner suggested getting the injection pump rebuilt when I bought the tractor. I scribed marks on the injection pump, removed it, and took it in to a diesel shop to have it rebuilt.

IH574 D239 injection pump timing - Farmall & International ...

Brand Info x Close Every Reliance part is produced to exacting standards to ensure the same or better reliability as the original part. In fact, for older engines current technology is often so improved that the part we make available today may actually be better quality than the same part used to assemble the engine originally.
