Different incubators come with different standard features, so before you start selecting accessories, you will want to make sure you have a clear understanding of your incubator and how it works. I would always recommend reading the instruction manual included with your incubator to find out more about what you need with that unit.

### **Incubator Accessories - Egg Incubators for Birds, Reptiles ...**

The most common incubator accessories are egg turners, forced air fan kits, egg candlers, incubator thermostats & incubator thermometers. Even though you can purchase a high-quality egg incubator for around \$40, we find that most of our customers find it least expensive to buy an egg incubator combo kit that includes everything they need.
