Clearance has more to do with the material the pistons are made of than any time period when they are made. Every manufacturer gives specs for fitting their pistons.

Piston clearance - The Panhead & Flathead Site

Rated 1 out of 5 by Tork from Difficult to load line The trimmer head that came with our FS-70R wore out after several years and we were told that it was no longer available as a replacement part. It was very convenient to carry a pre-loaded spool with us to pop in if needed. The AutoCut EasySpool does not really have a removable spool and you are to load the spool by sticking line in each ...
