How To Manually Tune Bbc1

Manual re-tune vs Auto re-tune. It will continue to tune upwards into the high channels till it reaches channel 68 then stops. The problem in some areas is that a signal might be better on the higher channels. However, the set is not clever enough to miss out the lower channels when auto re-tuning.

BBC - Manual retune - Help Receiving TV and Radio

However, for the OAD to work, I must have the tv tuned to a BBC channel. My question is this - since I currently have no digital signal and therefore no BBC channels (other than analogue), is there a way for me to manually tune a BBC channel so that I can receive the OAD, or will the OAD simply fail? Any advice will be much appreciated.
