Integra Gsr Manual Transmission Fluid

Awesome stuff in Honda transmissions, but it will cost you twice as much as Honda MTF. You should only need 2 quarts too. If in doubt, look it up in your owner's manual. On the other hand, if you aren't having any problems with your transmission now, don't switch from the MTF if you're not sure about going to the synchromesh.

acura integra manual transmission fluid | HondaSwap

Honda recommends that you change your manual transmission fluid every 30,000 miles. So if it has been awhile you may want to consider changing the fluid. If you just bought the car, it might be a good idea to change the fluid as well.
