### **Change cambelt in Toyota Starlet, 4EFE Part 2 of 2**

I am pretty pissed off as i had to put all belts back etc, a mechanic told me to rey to crank the engine with a socket and bar on the bolt - i might try that when i get a long enough bar :-). As for waterpump on 4efe it is east to access so I'll leave it for now. I'll just change the tensioner and idler.

### **Timing Belt Change - Technical - AU Starlet Club**

You'll need: some blocks of wood to hold the engine up when you drop one side and a jack to raise and lower the engine side. First of all, remove the 4 10mm bolts from top cambelt cover (2 top, 2 bottom...1 of which, nearest the front bumper is a bitch). Remove drivers side wheel.

Puegeot say change it every 100k miles but leaving it this long is probably asking for trouble, for example vauxhall originally said on cavaliers etc change cambelt every 40k miles. when the ...

### **When change the cambelt on a Peugeot 607 - answers.com**

The vehicle handbook will specify the change frequency, and a decent garage should let you know if a cambelt change is due when your car's serviced. Manufacturer's intervals should be treated as the absolute maximum, as failure of the cambelt can cause serious mechanical damage.

### **When should you change your cambelt? - Confused.com**

When to change a cambelt.. Cambelt life. Having done some evaluation work for a belt manufacturer, I thought it might be interesting to apply some belt life factors to actual applications, as the vehicle manufacturers recommendations seem to be so inconsistent. My formula works like this: Take a petrol engine with a belt working under ideal conditions, ie correctly tensioned, no oil, no ...

### **When to change a cambelt. | Technical matters | Back Room ...**

It is recommended that you change your cambelt every 40,000-60,000 miles. Alternatively, your

handbook should tell you the suggested mileage from the manufacturer that you should change your cambelt. If you don't know how to do this, you can take it to a garage or an Audi dealership, and they should be able to help you with this.
