Inductance Calculations (Dover Books on Electrical ...

Book Summary: The title of this book is Inductance Calculations (Dover Books on Electrical
Engineering) and it was written by Frederick W Grover. This particular edition is in a Paperback
format. This books publish date is Oct 22, 2009 and it has a suggested retail price of \$15.95.

Inductance Calculations (Dover Books on Electrical ...

This authoritative compilation of formulas and tables simplifies the design of inductors for electrical
engineers. It features a single simple formula for virtually every type of inductor, together with
tables from which essential numerical factors may be interpolated. An esteemed reference, it
belongs in the library of every electrical engineer. 1946 edition.
