I have a 3394 and the drive pinion went out on the front end that drives the big ring gear. The gear set is over \$4000.00. The tractor is tired and not worth sticking much money into it. Can a person turn this into a 2 wheel drive by removing the drive shaft from under the tractor? Would a person...

Oddly enough, Bates corp only wanted \$100 more for a power steering box, over the manual. (Manual \$950 + core charge). I have an orbitrol steering valve from my old backhoe and was thinking about scrapping the box and putting that on there to run one steering cylinder, but the problem is tying the wheels together to track properly.
