Ih D310 Engine

In the case of the 706, IH needed more power and a direct start engine/ By the time they realized that they didn't have the time to develop it. the D310 was already available and it was a simple matter of not having to spend more money for an engine that was several years away.

IH German Diesel Engine - why was it used in US built tractors

The D312 will outlast the D310 i have seen several 312 tractors in the 7000 to 9000 hour range that have never been opened. ... WE could keep up with both in putting in crops. I do not know if it was just that particular engine or not, but my brother picked himself up a 686 with the 312 in it last year. ... General IH ; D310 vs D312 Theme ...
